

For the first time, ZSCCA presents a national club gathering separate from ZFEST. ZSTOCK will take place September 7-10, 2017 at the Hunter Mountain Resort/Kaatskill Mountain Club in Hunter, New York.

The Catskill region of New York State offers some amazing scenery, good roads and cool landmarks. The site of the 1969 Woodstock Music Festival is not far from here. Brian Roces and Dori Komarin are your event organizers, and they are already hard at work! A number of planned driving tours are in store, along with opportunities to break bread and socialize.

Hotel Reservations are now open. Call the hotel at 800-775-4641, ask for reservations, and mention you are with ZSCCA - Z Series Car Club of America or the ZSTOCK group to receive the negotiated rates, which are available on the dates before and after our event. The Group number is #117515, name is "ZSTOCK17".
